Microform Subscriptions and Back Issues

Back issues of all previously published volumes are available in the regular editions and on microfilm and microfiche. Current subscriptions are available on microfiche simultaneously with the paper edition and on microfilm on completion of the annual index at the end of the subscription year.

Annual Subscription Rates 1977

For libraries, university departments, government laboratories and other multiple reader institutions US $34 per annum (including postage and insurance). *Specially reduced rates to individuals.* In the interest of maximizing the dissemination of material published in this important international journal we have established a two-tier price structure. Any individuals whose Institution takes out a library subscription, may purchase a second or additional subscription for their personal use at the reduced rate of US $15 per annum.

All subscription enquiries should be addressed to: *Subscriptions Fulfillment Manager, Pergamon Press Limited, Headington Hill Hall, Oxford OX3 0BW.*
